Moonlite Catering

Our House or Yours

Put our reputation on your table. Our goal is to work with you to create an event that is everything you want it to be, from the simplest appetizer tray that you pick up to the most complete formal banquet.

Our professional staff can make the arrangements, prepare the food, and then provide the service at your home, office, or wherever you choose. We'll even be glad to serve you our famous buffet in one of our banquet rooms!

We begin by using only the finest quality meats, cooking them slowly in open pits over a hickory log fire to give them that distinctive hickory smoked flavor. Our meats are basted with special sauces using Pappy's secret recipe.

Specialties include: Bar-B-Q'd Mutton, Pork, Pork Ribs, Beef, Chicken and Hams. Other catering favorites are: Beef Tenderloin, Prime Rib, Hors d'oeuvres and Burgoo. Find out more at www.moonlite.com/catering.

Moonlite Wholesale Foods

A major operation behind the scenes at Moonlite that most people never see or hear much about, is the USDA inspected processing plant, which provides the wholesale division USDA inspected meats and products to sell to restaurants, schools and grocery stores. Moonlite delivers these products in their own delivery trucks, and also uses distributors. *Ask for us at your local grocery.*

Website

Moonlite's website started long before e-commerce became popular. It became a college project in 1996 for Pat Bosley, (third generation) family member, and David Hanna, a college friend and fraternity brother. The idea was sold to Moonlite because Pat, David, and their friends were willing to work for food.

Visit our website at www.moonlite.com anytime to order our products on line or for additional information on our restaurant, upcoming events, and specials. Be sure to visit us often as we are always updating our website to better serve you our customers.
